EVALUATE

think about the good and bad for each idea then choose one

Pros/Cons of Each Idea:

| | Pros | Cons |
|---|---|--|
| Idea 1: <i>The Half-Life 2 Experience</i> | Great for older players, meme culture in general. lots of funny xdd | Not too certain about this one; using GIFs to make up an entire video would be time-consuming. |
| IDEA 2: THE BATMAN (2022) INTERACTIVE | Cool concept, faithful to the movie. | Couldn't decide on whether a custom site, or another GIF interactive. |
| Idea 3: <i>Interactive Scene from Blade Runner 2049</i> | Interesting, unpredictable. | Unpredictable, really had no idea what to do for this despite the concept. |
